The highly anticipated new drama series, ***The Audacity***, will premiere **exclusively on Australia's home of premium drama – SBS**. This darkly comedic eight-episode drama comes from Emmy®, Peabody®, WGA®, PGA® Award-winner **Jonathan Glatzer** (*Succession, Bad Sisters, Better Call Saul*), marking his first-ever series creation.

The Audacity premieres **Wednesday 15 April at 9.30pm on SBS and [SBS On Demand](#)**, with episodes fast-tracked weekly. *The Audacity* has also been renewed for a second season, which will premiere on SBS at a later date.

Set inside the bubble of Silicon Valley, *The Audacity* takes on the warped dreams, outsized egos, and ethical lapses of the self-styled inventors of the future. In a world of jaded

billionaires, psychiatrist-gurus, bio-hacked tech bros, AI labs and disillusioned teens being optimised in elite private schools, an audacious data-mining CEO (**Billy Magnussen**) strives to turn insight and influence into profit and power. Through biting satire and wit, *The Audacity* confronts reality, privacy and the delusions fuelling our ever-changing world.

Magnussen stars as Duncan Park, **Sarah Goldberg** as Dr. JoAnne Felder, **Zach Galifianakis** as Carl Bardolph, **Lucy Punch** as Lili Park-Hoffstader, **Simon Helberg** as Martin Phister, **Rob Corddry** as Tom Ruffage, **Meaghan Rath** as Anushka Bhattachera-Phister, **Paul Adelstein** as Dr. Gary Felder, **Everett Blunck** as Orson Stern, **Thailey Roberge** as Tess Phister, **Ava Marie Telek** as Jamison Park-Hoffstader, with **Randall Park** guest starring as Gabe, the qualm-free CFO of a data mining operation.

Glatzer serves as executive producer, writer and showrunner, alongside executive producer **Gina Mingacci** (*Killing Eve*). Episode directors include **Lucy Forbes** (*This Is Going To Hurt, Eric*), **Dan Sackheim**, **Dan Longino** and **Alex Buono**.

In April, *The Audacity's* premiere will be complemented by the exclusive premieres of the smash-hit punk drama series **Riot Women** (2 April) and returning crime noir **Dark Winds (Season 4)** (16 April).

Kathryn Fink, SBS Director of Television said: "SBS is proud to bring Australians the very best drama from our shores and around the world, and *The Audacity* is a standout. Fresh and biting, the series holds an unflinching mirror up to Silicon Valley to expose both its humour and horrors. *The Audacity* is set to become the next global hit."

The Audacity is an AMC Studios Production. SBS holds the exclusive Australian premiere rights for *The Audacity*.
